THE CHAIRMAN LIPAKALA DAY ORGANIZING COMMITTEE HON OLAKUNLE SOBUKANLA.

THE EXECUTIVE CHAIRMAN, IKENNE LOCAL GOVERNMENT.

The President, Ogere Community Development Association- Evangelist Temitayo Ladejobi and members of her executive cabinet, Our esteemed guests, Dede omo Olipakala.

Today, we gather to celebrate the Lipakala Day, a day that holds great significance in our hearts and in our history.

Our town, a place of prosperity, unity, and strength- a town that would continually stand as a beacon of hope and progress.

Today, we honor the vision, the courage, and the unwavering determination of our forefathers.

Dearest Ogere sons and daughters, let me congratulate us all once more on the giant strides we have collectively achieved as a town since 48 years of the celebration of our Lipakala Day.

To note, is majorly the collective efforts we have contributed in making our monumental piece- THE OGERE TOWN HALL, a beauty to behold. Our contributions in having a befitting Palace for our dear town can not be over emphasised also.

Thus, I implore us all : sons, daughters, and well wishers to continually support the building of Ogere of our dreams. "Our Jerusalem "- our Ogere, the pride of our forebearers.

As we look to the future, let us remember the values that have guided us: integrity, hard work, and compassion. Let us continue

to work together as one big family. Let us strive to make our town a place where everyone will continue to flourish, where dreams become realities.

Today, as we celebrate our day, let us also celebrate each other, for it is we, the people, the heart and soul of Ogere who make it truly great. Your dedication, your spirit, and your love for our dearest town are what makes it a place like no other.

Thank you for your unwavering support and for the pride you take in our town together, we will continue to build on the legacy of our founders and create a future filled with hope, opportunity, and prosperity for all.

Aseyi, s'amodun.
Happy Celebration.

A WELCOME ADDRESS BY THE CHAIRPERSON, OGERE COMMUNITY DEVELOPMENT ASSOCIATION (OCDA), EVANGELIST (MRS) TEMITAYO LADEJOBI AT THE 48TH FOUNDER'S DAY CEREMONY OF OGERE REMO ('LIPAKALA DAY), HELD AT THE WESLEY PRIMARY SCHOOL PLAYGROUND ON SATURDAY, OCTOBER 19, 2024.

Protocols

I am delighted to welcome you all to the 48th edition of our Founder's Day, popularly called 'Lipakala Day'. It is the grand finale of a week-long annual celebration of the bond that binds us together as a people. In the last one week, we have held social and cultural activities that showcased our heritage and gave us the opportunity to renew the bond of family-hood. To God be the glory for the grace to see another Lipakala Day in good health and oneness. I am also thankful to God for bringing our invited guests safely from far and near to add colour to this great occasion. My prayer is that God's protective cover will be upon you all on the return leg of your journey back to your abodes and where you may go thenceforth.

Why are we here today? The question may sound simple, but the answer to it can only fully come when we engage in mature reflection about the state of our town and Jerusalem, Ogere. Our town is in dire need of development and critical infrastructure to put it on the same pedestal as its coevals in Remoland. On this rests the importance of this annual gathering of Ogere sons and daughters where we also invite our friends to partner with us in the task of building our town.

Over the last three editions, we have tried to raise money for the execution of some key projects such as the remodelling of our Town Hall and the building of a befitting palace for the Ologere. But our efforts so far have not yielded the needed quantum of funds required to see the projects to fruition. The Town Hall project is about 55% completed. Every patriotic Ogerean who has seen the extent of the work done in remodelling our Town Hall will praise the OCDA for a job well done so far.

As for the ultramodern palace project which work has started on courtesy of the Ologere himself, we

also require major financial support to get the project accomplished in good time. While it is our prayer that the Town Hall project will be completed this year, the palace project by the grace of God will also be completed in some months from now hopefully.

At the appropriate time when we will be calling for donations and support for these projects, kindly give generously towards the completion of these important projects.

I would like to charge us with this submission by Steven Bartlett in his book *The Diary of a CEO*. While explaining his four pillars of greatness, he says: "I've never seen anyone build a great company, project or organisation without a group of people, and I've never seen anyone reach personal greatness without the support of a group of people." We, therefore, need your huge support for these projects. As you heed this clarion call, I pray that God will replenish your purse in Jesus name.

I cannot end this address without thanking the Ologere of Ogere for the notable strides he has engineered within Ogere since his coronation. At the back of this venue, we can all see that the landscape has changed with modern structures dotting the environment. Kabiyesi, may God continue to strengthen you in all goodness, and fill you with wisdom to administer Ogere to greatness.

I also thank the Central Working Committee led by Hon. Kunle Sobukanla, for putting up a colourful Lipakala Day. May you all be blessed for doing this for Ogere. And to all Ogere sons and daughters here and those in the diaspora, I thank you all for your support. Lipakala ati Yemogun a gbe dede eni o. Amin.

Thank you all for coming.

LIPAKALA MERIT AWARD POSTHUMOUS THE PROFILE OF LATE ALAYELUWA OBA OLADELE OGUNBADE JP

Late Alayeluwa Oba Oladele Ogunbade JP, Agbejoye II, Ologere of Ogere was born on the 6th of March, 1937, in Ogere Remo, to the late Pa Yinusa Sanya Ogunbade (an enigmatic Community leader) of Itajiren Quarters, Ogere Remo, and the Late Madam Adebola Dorcas Ogunbade (Née Awolaja), a multi-commodities trader from the renowned Awolaja-Erinfolami Dynasty of Idomogun Quarters, Ogere Remo.

He began his elementary education at Christ Church School, Ogere Remo, and later attended the Preliminary Teachers Center, Ajilete, Egbado, in 1954. Following this, he pursued his education at Remo Teachers' College, Iperu Remo, from 1955 to 1956. He briefly taught at Iraye Primary School, Ode-Remo, from 1957 to 1958, before continuing his education at St. Paul's College, Abeokuta, from 1959 to 1960, where he obtained the Grade 2 Teachers' Certificate.

The relationships he built at St Paul's College tailored his life's journey. On the completion of the course, he was posted to Emmanuel School Italupe, where he served with all dedication. He co-authored "Way to Success Part II" with his friend, the Late Kola Osunsanya, who also became the Oba of Ilese. The book was designed for Primary Six Students seeking admission into Secondary Schools.

He entered the Corporate World by joining the now-defunct Nigeria Tobacco Company (NTC) as a Marketing Canvasser in October 1962. He attended numerous marketing courses, both domestically and internationally, and served in various regions of the Country, including Zaria, Ilorin, Enugu, and Port-Harcourt. He rose through the ranks achieving the positions of Area Sales Representative in 1974, Divisional Marketing Representative in 1977, and Divisional Marketing Manager in 1980.

HRH. Oba Oladele Ogunbade was a great lover of his people and Community, using his resources for their benefit. He was a lover of culture and had interest in many traditional festivals. A major player in the 'Oro festival' where he brought his Marketing and Promotion Skills to play and in no time endeared him to many and equally gave him the name "Oyinbo NTC" in Ogere and environs. The managerial and leadership skills gained at NTC prepared him for the role he later occupied as the custodian of traditions in Ogere Remo.

He was active participant in various Social, cultural, and Religious Circles. He served as an executive and founding member of the Ogere Development Organisation, which laid the foundation for the present Ogere Community Development Council (OCDC), now, Ogere Community Development Association (OCDA)..

With the transition into the great beyond of our highly revered Late Alayeluwa Oba Alfred Babington Obafuwa Ashaye, Legunsen III, Ologere of Ogere in 1982.

HRH. Oba Oladele Ogunbade's kind disposition, involvement in town's development, leadership abilities, tenacity and popularity were responsible for the overwhelming support he got when he was nominated and selected for the throne. He heeded to the clarion call of his people and was selected as the Oba elect by Agbejoye Ruling House on 26th July, 1983. The selection was confirmed by the Ologere Kingmakers on 29th July, 1983 and finally ratified by Ogun State Government on 23rd September, 1983.

On the 3rd of December, 1983, he ascended the throne of his fore fathers and became the Arole Lipakala, Ologere of Ogere Remo as Agbejoye II. His reign like any leadership position was full of challenges but with a sense of purpose, forthrightness, dedication to duty, courage and hardwork he navigated the 38 years on the throne successfully, leaving Ogere Remo with great developmental strides and uninterrupted peace.

He was a highly respected Monarch whose interest was always for the good of his people.

Alayeluwa Oba Oladele, was a committed member of the Remo Traditional Council and the Ogun State Council of Obas.

The curtain to his eventful life and reign was drawn on Saturday, 10th April, 2022, when Alayeluwa Oba Oladele Ogunbade JP, Arole Lipakala, Agbejoye II, joined his ancestors while making history as the first Remo Oba to be buried according to his faith, Christianity (HALLELUJAH).
