A MESSAGE FROM THE PALACE

HIS ROYAL HIGHNESS

OBA JAMES OBAFEMI SALIU

Arole Lipakala · Ologere of Ogere

ÀÁFIN OLÓGÈRÉ

The palace of the Ologere of Ogere stands at the heart of the community's life — the seat of tradition, the custodian of Ogere's history, and the home of the Ogere-Remo Lipakala Museum.

From this place, the values of courage, service and unity handed down by Olipakala continue to guide the town. As **Arole Olipakala**, the Ologere holds the founder's inheritance in trust for every generation of Ogere sons and daughters.

The Ologere and the Ogere-in-Council extend a warm welcome to every organisation, institution and individual joining the town in this Golden Jubilee year — and to every son and daughter of Ogere returning home in October 2026.

The Golden Jubilee is celebrated under the royal blessing of the throne of Ogere.

EXECUTIVE SUMMARY

Lipakala Day is the annual heritage and community development celebration of Ogere Remo. The 2026 edition marks **fifty years** since it was established in 1976.

It brings together sons and daughters of Ogere at home and abroad, residents, traditional institutions, government representatives, businesses, associations and friends of the community to honour the enduring legacy of Olipakala and Yemogun, the progenitors of the town, and the contributions of Lowa-Lida.

This Golden Jubilee is therefore more than another annual gathering. It is a once-in-a-generation opportunity to celebrate identity, unity and collective progress, strengthen intergenerational connections and mobilise support for the next phase of Ogere's development.

The celebration will take place in **October 2026** through a ten-day programme spanning environmental action, faith, youth empowerment, artisan development, education, health, sports, pageantry, music and traditional cultural displays. It will culminate in a grand finale and thanksgiving service. However, the grand finale comes up on **Saturday, 17 October 2026**.

For partners, the Golden Jubilee offers a distinctive platform for brand visibility, stakeholder engagement, market activation and corporate social responsibility. Organisations can connect with a broad family audience, community and diaspora networks, traditional and public institutions, professionals, entrepreneurs, artisans and young people.

The Golden Jubilee also marks the launching of a **₦2.5 billion endowment fund** towards the infrastructure development of Ogere — an invitation to partner not simply as sponsors of an event, but as **builders of the town's future**.

OGERE REMO — HERITAGE, LOCATION & OPPORTUNITY

Ogere Remo is an ancient Yoruba town in Ikenne Local Government Area of Ogun State. Community historical records trace its foundation to around **1401 AD**, following an emigration from Lagere in Ile-Ife led by Olipakala, a crown prince and descendant of Oduduwa.

The town has a longstanding tradition of leadership, education, enterprise and communal organisation. Its educational heritage combines indigenous learning and crafts with formal schooling dating to the late nineteenth century, including Christ Anglican School (1892) and Wesley School (1900).

Ogere occupies a strategic position within Remoland. The Lagos-Ibadan Expressway and the Ijebu Ode–Abeokuta Road pass through the town, connecting it to Lagos, Ibadan, Abeokuta, Sagamu and other major commercial centres — supporting mobility, commerce, hospitality, tourism and investment.

Its hilly landscape, historic compounds, traditional institutions, festivals and strong community networks give Ogere a distinctive identity. An active diaspora continues to contribute expertise, ideas and resources to its advancement.

THE LIPAKALA LEGACY

OLÍPÀKÁLÀ

FOUNDER OF OGERE

Remembered in Ogere tradition as the founder of the community — a courageous hunter, warrior and philosopher who protected his people and preserved their identity. His leadership became central to the town's political, spiritual and cultural foundations.

YEMOGUN

CO-WARRIOR AND COMPANION

His wife and companion, remembered as a brave co-warrior whose courage, wisdom and knowledge contributed to the survival of the community during difficult periods.

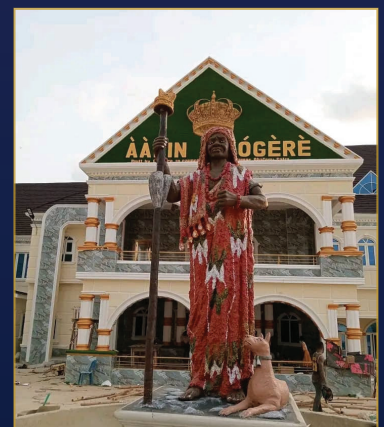

LOWA-LIDA

TRADITIONALIST AND COMMUNITY LEADER

An early migrant, traditionalist and community leader who played an important role in Ogere's growth, defence and spiritual development.

The grand finale of the celebration will take place **Saturday, October 17, 2026**. Following their departure, annual observances developed to remember their contributions and reaffirm the identity of the community. Since **1976**, Lipakala Day has provided a wider civic platform through which Ogere people at home and abroad celebrate their shared heritage and mobilise support for the town's development.

The celebration therefore stands at the intersection of **remembrance and renewal**. It honours the courage, resilience and communal responsibility represented by Ogere's founders while calling each generation to make its own contribution to the future.

FIFTY YEARS OF COMMUNITY IMPACT

For five decades, Lipakala Day has served as a rallying point for cultural continuity, social connection and community development. Its enduring value lies in bringing together traditional institutions, families, age groups, clubs, associations, professionals, artisans, young people and the diaspora around a common identity and shared responsibility.

MILESTONES

- 1976** ■ Lipakala Day is established as an annual civic celebration in remembrance of Ogere's founders.
- 1980s–90s** ■ Participation broadens across families, traditional groups, clubs, associations and community stakeholders.
- 2000s** ■ Diaspora participation and organised community mobilisation become increasingly prominent.
- 2010s** ■ The celebration strengthens its role in cultural preservation and development advocacy.
- 2020–2025** ■ Programmes broaden across youth, education, health, sports and culture, alongside fundraising for development.
- 2026** ■ The Golden Jubilee celebrates fifty years of continuity and launches the next chapter of partnership.

FROM CELEBRATION TO CONSTRUCTION

Five decades of Lipakala Day have left more than memories. The pages that follow show buildings raised by the collective effort of Ogere's sons, daughters and partners — the model the Golden Jubilee now seeks to expand.

LEGACY IN STONE

The Ologere-in-Council and the sons and daughters of Ogere have turned goodwill into buildings that carry the names of those who served the town. Each was raised by community effort — the same effort the Golden Jubilee now seeks to extend.
