A WELCOME ADDRESS PRESENTED BY THE CHAIRMAN OF LIPAKALA DAY PLANNING COMMITTEE OF THE 50TH LIPAKALA DAY CELEBRATION, DR. OLASUNKANMI SOLA MUSTAPHA TODAY 17TH OCTOBER, 2026

The Executive Governor of Ogun State, His Excellency, Prince (Dr.) Adedapo Abiodun, CON

Kabiesi the Akarigbo and paramount ruler of Remo Land, Oba Babatunde Adewale Ajayi, the Olu of Ilaro and paramount ruler of Yewa land, Oba Kehinde Gbadewole Olugbenle, the Ologere of Ogere, Oba James Obafemi Saliu, (Kankanbiina III), all other Obas and Chiefs here present. The Chairman of the Occasion, Chief Victor Adekunle Alonge, Ladies and gentlemen. Today we are here to celebrate the 50th Anniversary of Lipakala day. The debut of this celebration came up in 1976 and when we looked back how we started, today we give glory, honour and adoration to all sons and daughters of this our noble JESRUSALEM. Before I continue, I need to introduce myself.

My name is Dr. Olasunkanmi Sola Mustapha, the planning committee chairman for the 2026 Lipakala day celebration. My Mom is from Ogere, Paternal from Oya compound Itun Nla (Agbejoye Ruling House) and Maternal from Gunsemmade Anikangbile Ogba tile, Ogba ti ara eko, otun gba ti ajeji (Kankanbiina ruling house). I have been involved in Ogere matters for over 40 years now and I married from Ogere to Princess Mosope Fadeke Mustapha (nee Osinubi) from the Agbejoye Ruling House. The history of Ogere Remo is dated back to 1401 AD located in the central hub of our industrial towns, bounded by Lagos, Abeokuta, Ijebu Ode, and many other towns. Ogere citizens are hard working, educated and duly represented across the globe. For years now, Ogere Remo has continued to develop amongst Remo towns and cities, but almost four years ago A NEW OGERE was birthed being catalyzed by Arole Olipakala, Alayeluwa Oba James Obafemi Saliu changing the face of Ogere to new MECCA AND JERUSALEM. These new changes did not only happen without the Board of Trustees of the Ogere Community Development Association (OCDA) and the members being presided over by Evangelist Temitayo Ladejobi (OCDA PRESIDENT). Also the Chiefs, Ologere in Council, various residents from within and outside Ogere are not left out in the developments.

On this auspicious celebration of the 50th Anniversary Celebration, I must sincerely thank my team, the sub committee, and those who have donated towards this course. I want to specifically announce that if you buy the Adire Attire, you have contributed directly towards the development of Ogere Remo and the ongoing projects (Be proud of yourself).

Having first praised and thanked those who have worked diligently to make this 50th Lipakala Celebration a huge success, now the moment of truth, let's call the sons and

daughters attention towards the development of Ogere our MEDINAH.

I want to implore and admonish all sons and daughters of Ogere who are based in other towns, cities and in diaspora to think back home and be involved in the real development and rejuvenation going on in our noble town nowadays. Those in diaspora should think of floating Organizations and create employment opportunities for our people especially the youths. Let us emulate the likes of Late Dr. Olatunde Agbato, Olola Pa Olabode Ogunlana, Late High Chief Oluwasola Oyegunwa, Chief Olusoga Osinoiki and a host of others. Major development can only come to play when manufacturing companies, businesses and good tradings go on in our town.

Ogere let's be happy and proud of our heritage, the God-installed King, Arole Olipakala Oba James Obafemi Saliu and the entire Ogere Sons and daughters working round the clock to change the face of our town by bringing absolute and perfect developments to the town. Please, let's shun the NAY SAYERS. Count how many projects that have been commissioned in less than four years of our King ascending the throne.

Permit me to sieze this opportunity to appreciate the Odoole of the source, Chief Kessington Adebukanla Adebutu KJW for being part of Ogere's project. We are sincerely grateful for your countless gestures, may God Almighty continue to bless you and keep you for us.

On this note, we the 50th Lipakala day planning committee members confer on our father, Arole Olipakala the title of Senior Abiyamo of Ogere (SAO) Kabiyeesi Oba James Obafemi Saliu, Arole Olipakala, SAO, and so the list of our king's title goes on.

I want to appeal to all Sons and daughters to play their roles towards the development of Ogere and let love be the key factor that we all clamour for according to Gal. 5:20-22. We cannot celebrate this 50th anniversary without remembering our fallen heroes and heroines who sacrificed all to pave ways and give us a befitting Ogere that we are enjoying today. I want us to observe a minute silence for our late heroes, please. May the souls of our departed heroes rest in peace.

On this beautiful day and celebration, let's merry, enjoy our heritage, dance, eat, showcase our town to the world, and continue to be a CLIQUE. Ogere was great, Ogere is great and Ogere will continue to be great always. Amen.

THE SPEECH DELIVERED BY THE PRESIDENT OF OGERE COMMUNITY DEVELOPMENT ASSOCIATION, EVANG. TEMITAYO OLATEJU LADEJOBI AT THE 50TH LIPAKALA DAY CELEBRATION ON SATURDAY, 17TH OCTOBER, 2026.

PROTOCOLS

Standing before you today is both a rare privilege and a great honour. I am deeply grateful to the Almighty God for His protection, guidance, and unwavering support throughout this journey.

It is an honour to be here today as President of the OCDA as the community commemorates its golden jubilee.

This occasion allows me to reflect on the growth and development that our community has seen, and we thank God for the selfless and blessed citizens whose contributions we still rely on today.

As we celebrate the 50th Lipakala Day today, we are full of gratitude to the Almighty Father who coordinates the affairs of our existence and brought us all here safely from our different geographical locations. We remain truly proud to have become a part of this historic moment today. Indeed, it is a milestone CELEBRATION that can only be witnessed once in a lifetime.

We celebrate Lipakala Day annually as a means of preserving our cultural identity and strengthening the

bond among our people such that we can together continue in the success recorded by our progenitors to rightly and safely hand the baton of honour and prestige for the continuity and preservation of our cultural heritage and tradition to our children.

If you are a student of history, you will appreciate your lineage: how we started as a community from the foundation laid by our forefathers who built a society forged on great character, resilience, sacrifices, rural economics, and zeal for protectionism. If we look through how, in 1401 AD, our forefathers founded this community...this should tell us how long ago our existence began, and now with the 50th anniversary, this reminds us that "we remember who we are, where we are coming from, and where we are heading."

Achievements to highlight at the 50th celebration:

- ❖ **Diaspora Connection:** It is a welcome development that is only growing stronger as we now have very illustrious and sociable sons and daughters of Ogere flying home not only to fraternize but also to create lasting avenues to support Ogere's development and growth.
- ❖ We have been able to encourage greater participation of the entire citizenry more than ever before because of the level of seriousness of our tenure as the Executive of the OCDA.
- ❖ **Remodelling of Ogere Township Hall:** This has been our flagship project since the beginning of our tenure. I would like to thank everyone who generously contributed cash, care, expertise, materials, and moral support to the redesign of a state-of-the-art facility. We could not have had this breakthrough without their sacrificial donations.
- ❖ Another significant achievement is the generous donation by the family of the late Prince Olumuyiwa Adewunmi Babington-Ashaye, who presented our community with a befitting relaxation centre for the elderly, facilitated through the OCDA. This facility reflects our commitment to the welfare of our senior citizens by providing them with a comfortable environment for relaxation, recreation, and social interaction. Indeed, we hold this dear to our hearts.
- ❖ Other numerous assistance rendered to the community from time to time when necessary, e.g.

**LIPAKALA DAY
CELEBRATION**

**THE LAUNCHING OF

INFRASTRUCTURAL
DEVELOPMENT OF OGERE**

provision of solar lights, digging of boreholes, supply of concrete poles for electricity, etc

Today is a day of celebration, gratitude, and reflection. While we rejoice in our achievements, we also recognize that there is still much work ahead. Although we have made meaningful progress, many important projects remain if we are to position Ogere for even greater opportunities.

I am particularly happy for the relationship I have created with everyone I have met on this journey of service to humanity; it has endeared me to people who are truly passionate about community development. I have related even outside of the town with other Presidents of Community Associations and have seen, firsthand, even better ways we can administer the growth of our communities, as working together will always strengthen our community and accelerate our development.

I sincerely want to seize this privilege to appreciate every son and daughter of this community at home and abroad, especially those who have shown the character of illustriousness and nobility in transforming our ancestral home into a thriving modern community. I say a big thank you to you all.

I want to honorably welcome the Special Guests of Honour amongst us. Some have been our regular guests, while others perhaps are here for the first time today. However, one thing is certain: we are all driven by love for the growth of a society in which we are, and which is the reason why you are here today, and I am glad your presence here today is a testament to your goodwill and support for our community, and we deeply appreciate your partnership in our journey of progress.

I am indebted to the zealous CWC for this year's celebration. I must commend their visionary leadership and commitment to curate an unprecedented approach to birth the marvel established here today. They say if you want to do it well, do it in ways it has never been done, and these guys under the leadership of Dr. Olasunkanmi Mustapha, and some people working behind the scene, indeed performed remarkably well and exceeded every expectation from every point of action since the beginning of this programme to the grand finale. God bless you all.

In order for us to have a significant societal impact across the country, we must first pursue steady and consistent communal growth; these small steps, in turn, provide credible momentum for the birth of a new nation. As we all go back to where we live, I urge us all to also participate in the building process of such places, whether it's our place or where we live temporarily, as

this character outshines many virtues we may consider.

Since I consider this address as my valedictory speech, I owe a debt of gratitude to some individuals, I don't want to mention names, who have been our support system since the beginning of our tenure. They identified with us, believed very much in us, trusted us, and therefore stood by us, encouraging us, assisting in various ways, spending their time and resources to make sure we succeed. It is only God who can reward your labour of love and I am sure He will. I am, indeed, very grateful to you, you made it easy for me.

I want to seize this opportunity to appreciate my siblings and their spouses both at home and abroad. Year in, year out, they stood by me this past six years. They were solidly behind me like the wall of Gibraltar. They supported me spiritually, financially, physically and emotionally, praying for my success, worrying when they heard comments about my strictness on matters of spending money. I don't know how I would have made it this far without them. Thank you so much, I appreciate and love you all. Thank you also to the whole of Oredein Dynasty for this last honour you gave me. You made me proud. I love you all.

Finally, I would like to express my heartfelt gratitude to my special group, with whom I have formed strong bonds over the past years, breaking down barriers; carving out a niche for ourselves and the community through our commitment to making Ogere a better place for all, meeting after meeting; fighting where necessary to keep us on our toes; and, most importantly, working with the spirit of forgiveness to remind ourselves of what lies ahead of us. I thank every executive member for their invaluable and undeniable contribution, which was reflected in 67 meetings. God bless.

And, of course, my special appreciation to the number one citizen of our noble community, under whom we have had tremendous growth and development.

Our achievements would not have been possible without the unwavering support of our amiable and benevolent Kabiyesi, Oba James Obafemi Salu, Kankanbina III, the Ologere of Ogere, Arole Lipakala, and by extension, the Ologere-In-Council with synergistic formations and collaborations in place. Thank you very much Kabiyesi, may your reign continue to bring peace and progress to the community.

Please do enjoy the programme as it unfolds and cooperate with the organizers so that we all can have a successful outing today.

Thank you all for listening.

Shalom!

God bless Ogere Remo

God bless Ogun State

God bless Nigeria.

THE HISTORY OF OGERE COMMUNITY DEVELOPMENT ASSOCIATION (OCDA) FROM OGERE CLUB (1964) TO A PAN-OGERE DEVELOPMENT INSTITUTION

Written by: Chief Mrs. Bernice Aduke Orebamjo | Edited by: Professor Adekoyejo Samuel Oyegunwa

PREAMBLE

Every great community is built by the vision of a few selfless men who decide that the progress of their homeland must not be left to chance. The story of Ogere Community Development Association (Formerly Ogere Community Development Council) is the story of such vision, sacrifice, and love for Ogere Remo.

THE ORIGIN: OGERE CLUB (Before 1964)

Before 1964, what we now know as Ogere Community Development Association existed as **OGERE CLUB** – a small socio-cultural association of Ogere elites, both at home and in diaspora, whose primary aim was to foster unity, love, and communal support among themselves and to discuss matters affecting the growth of Ogere town.

It was essentially a meeting of friends and brothers who believed that “**Ise Ilu Omo Ilu ni**” – the development of a town is the responsibility of its sons and daughters.

The Club was meeting informally in Lagos, Ibadan and Ogere, contributing to little community efforts like the then community schools and palace activities.

THE HISTORIC TRANSFORMATION IN 1964

In 1964, the leaders of Ogere Club realized that the challenges facing Ogere – in education, infrastructure, and unity – were bigger than what a mere social club could handle.

At a historic meeting in 1964, it was resolved that Ogere Club should be transformed and upgraded into a more broad-based, development-oriented body that would be responsible for the overall development of Ogere and for mobilizing ALL sons and daughters of Ogere both at home and abroad. Thus, **OGERE COMMUNITY DEVELOPMENT ASSOCIATION** (Formerly Ogere Community Development Council) was born.

At inception in 1964, the Association had only **EIGHT (8) FOUNDING MEMBERS**. These eight men were the pillars who laid the solid foundation upon which we stand today.

The Eight Founding Fathers were:

1. Chief Samuel Ogunjomein Odugbesan (Oshinmi)	-	Chairman
2. Lawyer Tunji Osinoiki	-	Secretary
3. Prince Hon. Adebukanla Oyeledun	-	Treasurer
4. Elder Abiodun Taiwo (Wood Work)	-	Member
5. Mr. I.S. Awosanya	-	Member
6. Elder Obafuwa Onafuwa	-	Member
7. Mr. Isaac Kehinde	-	Member
8. Mr. Dipo Awolaja (Dipson)	-	Member

Despite their small number, their vision was large. They adopted the motto that still guides us: **Unity, Progress and Development.**

AIMS AND OBJECTIVES AT INCEPTION

From 1964, the Association set for itself the following objectives, which remain relevant till today:

- To foster unity, love and brotherhood among all sons and daughters of Ogere.
- To serve as the supreme umbrella body saddled with organizing events that bring together all sons and daughters of Ogere annually (Lipakala Day).
- To mobilize human and material resources for the physical, educational and socio-economic development of Ogere.
- To serve as a bridge between the community, the Ologere-in-Council, government, and Ogere people in diaspora.
- To protect the culture, tradition and heritage of Ogere Remo.

GROWTH AND EVOLUTION (1964 – Till Date)

What started with 8 members in 1964 has today grown into a large association comprising:

- Representatives of all quarters/compounds in Ogere
- Branches in Lagos, Ibadan, Abuja, and Diaspora
- Youth Wing and Women Wing
- Religious leaders, Baales, Chiefs and professional groups
- Egbe Ibile, Associations and various interest groups

From a small club, OCDA has become the official organ for community development recognized by the Ologere of Ogere and Ogun State Government.

LANDMARK ACHIEVEMENTS OF THE ASSOCIATION

Since 1964, OCDA has been at the forefront of many developmental strides, including:

- Institution of the Annual Ogere Day in 1976 (which is tagged **Lipakala Day**) / Gathering of Sons and Daughters – a homecoming event that has become the greatest symbol of our unity.
- Construction of Ogere Town Hall
- Construction of Electricity to Ogere toll gate
- Omo Oba Kunle Ladejobi Library
- Tarring of the Toll gate/Awomosu Agbato Road by Ibikunke Amosun facilitated by OCDA then.
- Yemogun Estate Owners (comprising 24 families) happily donated their parcels of land on Awomosu Agbato Drive to O.C.D.A Executives for the building of the first community hospital. The community Hospital was built during the administration of Chief Mrs. B.A. Orebamjo as the President of OCDA.

Training & Conference Center PACE TRAINEES

Every group of the Trainee left foot prints behind in Ogere to be remembered for

- Providing Empowerment to Artisans e.g. Hair Dryers etc
- Health Talk to students and community “AIDS is real”
- Refurbishing of Classroom blocks and science laboratories in our secondary schools (Ogere Community High School and Ositelu Memorial College) and equipping them with Modern Teaching Aids.
- In 2015 April, they equipped our Town Hall with 100 pcs of plastic chairs, 17 ceiling fans and 24 fluorescent tubes. The gifts have the inscriptions of VTP6 Pace Trainees.
- In the same vein, the Animal Care Konsult who loves to put smiles on peoples's faces did a lot to help the Community and our schools. At the Ositelu Memorial College, he constructed Modern Toilets both for Teachers and Students with Bore holes. He also fenced the entire Wesley School premises and put gates. The Community High School and Christ Church Schools were each given Bore-Hole and generator.
- Scholarship support for indigent students.
- Intervening in communal security, peace-building and boundary matters.
- Giving a unified voice to Ogere people in Remo and Ogun State affairs.

LIPAKALA DAY: THE ANNUAL GATHERING – OUR FLAGSHIP

The most important mandate given to OCDA is organizing the event that brings together all sons and daughters of Ogere annually. Today, this event that started in 1976 is 50 years old. This event has over the years served as:

- A reunion for families
- A forum for developmental fundraising
- A platform for honouring distinguished Ogere Sons and Daughters
- A means of transmitting culture to the younger generation

This annual gathering is the reason many of our people still proudly call Ogere “home”.

The annual Lipakala Day since its inception in 1976 has had the following eminent personalities as Chairman:

1. Otunba Ayo Osinubi JP.
2. Otunba Ademolu Ashaye

TRANSFORMATION FROM OCDC TO OCDA

The change of name from Ogere Community Development Council to Ogere Community Development Association became necessary as a result of the need to incorporate the organization as a registered trustee under Part C of Corporate and Allied Matters Act of the Federal Republic of Nigeria. Under this act, only a public institution could bear the nomenclature of “Council” and hence the need to use the word Association.

CONCLUSION: FROM 8 TO THOUSANDS

The journey from 8 men in Ogere Club to thousands of members in Ogere Community Development Association today is a lesson in vision and continuity.

The 8 founders have done their part. Today, the baton is in our hands. Our duty is to ensure that the Association does not die, but grows stronger, more united, and more development-driven than they left it.

May the labours of our founding fathers never be in vain.

Long Live Ogere Community Development Association!
Long Live Ogere Remo!
Long Live Ogun State!
Long Live the Federal Republic of Nigeria!

**UNDER EXTENSIVE
RENOVATION**

OGERE

TOWNSHIP HALL:

WEARING A MODERN LOOK ALREADY.

The Township Hall renovation has remained the major goal of the present Ogere Community Development Association Exco since its tenure began.

The executive has always been sourcing funds from the sons and daughters of the community as well as from the well-wishers and guests during the Olipakala celebrations for the face-lifting of the hall to something contemporary and modern.

With the situation on the ground now, the hall is now fully air-conditioned, with WPC panel cladding its walls, adding premium aesthetic values to it on one hand and protecting its walls on the other hand.

As we intensify more efforts to reach our goal, 500 pieces of very durable plastic chairs and 80 pieces of party tables as accompaniments have been purchased.

We hope that before the new year 2027 begins, great total transformation of that hall will have taken effect.

PRINCE OLUMUYIWA ADEWUNMI BABINGTON-ASHAYE CENTER FOR THE ELDERLY.

“A community is as strong as its members”, Merrybody.

Millions of lives are destroyed or preserved based on a single decision made by one or a group of people.

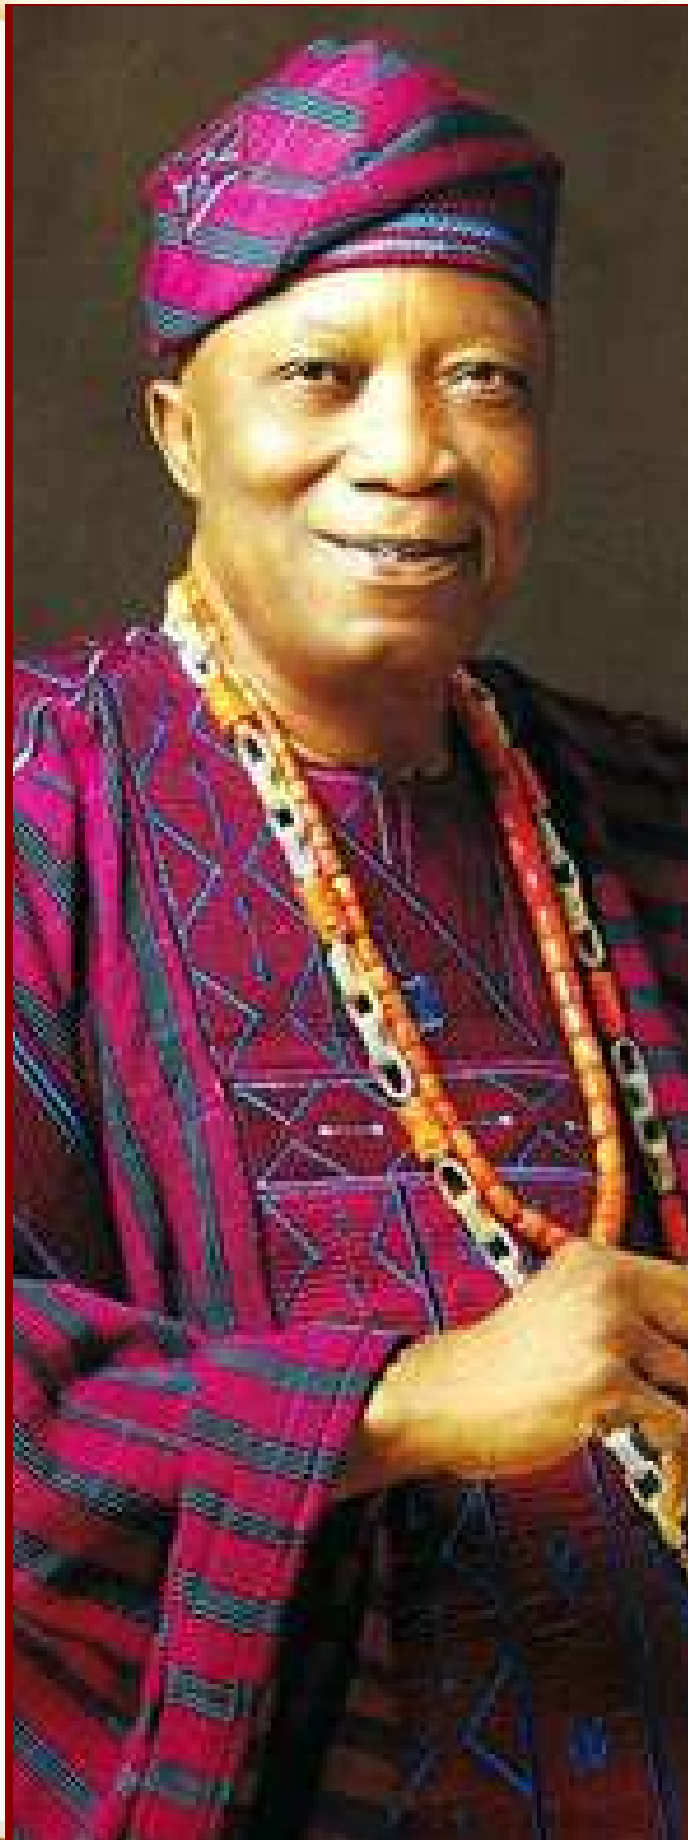

However, the names of those who show benevolence and kindness are hung on the frames on the wall of history.

The family of Late Prince Olumuyiwa Adewunmi Babington Ashaye, in their wisdom, demonstrated a desire to impact the lives of our beloved community's elderly, also known as senior citizens, bringing this quote to life: "A community is much more than belonging to something; it is about doing something together that makes belonging matter."

A gift of an elderly center was sown to the community, underscoring the importance of looking after the elderly since they are the custodians and repositories of knowledge, thereby encouraging the perfect preservation of tradition, culture, and blessings to generation after generation.

The center, named in honour of an illustrious son of the town, Prince Olumuyiwa Adewunmi Babington-Ashaye, was dedicated to the elderly on August 12, 2026, by His Royal Highness, Oba James Obafemi Saliu, Kankanbiina III.

The center is also well furnished with two complete sets of upholstered chairs that give good ambience for conviviality and fellowship, two dozens plastic chairs and four tables, a cable network, a big screen that serves as a source of entertainment, toilet facilities, equipped with a borehole and various indoor games that aid psycho-motor activities, and a 24-hour security watch. The center has since been handed to the senior citizens for their use.

AN ENIGMA: A PRIDE OF NATIONS

No one can dispute the philanthropic nature of Sir Adebunkonla Kessington Adebutu, a true cheerful giver, as the scripture puts it.

Sir Adebunkonla Kessington Adebutu has always been a very benevolent father who loves the progress of his sons, and as such, many times, he has ensured that Ogere town also enjoys his philanthropy when the need arises.

Having established his signature of kindness in many towns all across the nation, in institutions, and in communities, we can say he has broadened and widened the scope of modern philanthropy. He has indeed set a true defining standard.

Having gifted two of the community's primary schools, Wesley School and Christ Anglican School, modern blocks of classrooms worth over 80 million years ago when the need arose, a gesture that appealed to the sensibility of the pupils and community leaders.

During his birthday this year, a billion naira gift was signed off to the entire Ikenne local government area to accomplish whatever projects they desire under the supervision of a well-refined committee put in charge. Sagamu and Remo, local government areas, also enjoyed such a rare privilege.

Today, as we are gathered here, Ogere's modern sports arena foundation has already been laid, and work is ongoing.

While we do not fully grasp the enormity of the future transformation and progress this world-class initiative will birth, we are rest assured it will consolidate on the many infrastructure developments within the town.

Therefore, the entire Ogere community, on behalf of the Ologere, expresses our profound gratitude to a trailblazer, a true community builder, a business tycoon, and a complete Omoluwabi.
